

CCRS 3.6.36 – April 2011 Release

Application

Implemented CIHI FY 2011-2012 specifications

Changed health card number validation algorithms that were erroneously flagging some New Brunswick, Nova Scotia, and Nunavut codes as invalid

Fixed a problem which caused a run-time error on the score calculation screen after April 1st, 2011.

Reports

New admission List for Ministry report under MDS Administrative group
