CCRS

Assessment and Submissions

CIHI Changes	CIHI Changes for 2010 - 2011 are implemented
--------------	--

Discharge Prior to 14 days

1. If a Resident is Discharged with in 14 days of admission from ADT, the 'Admission assessment' which is in scheduled state should be shown in CCRS Assessments along with scheduled 'Discharge Prior to 14 days' Assessment. When 'Discharge Prior to 14 days' assessment is completed, then admission assessment will be removed from CCRS assessments.
2. When Admission of a resident is in one Quarter and 'Discharge prior to 14 days' is in next Quarter, while submitting 'Discharge 14 days' Assessment -Two submission files will generate for Admission Background form and Discharge form respectively

Assessment Reference Date (ARD)
Element : A3

If the ARD of initial Assessment is greater than 14 days from date of admission and ARD of Quarterly Assessment is greater than 92 Days from the ARD of last Full Assessment or last Quarterly assessment, then a warning should be displayed. However, system should allow to sign the Assessment even with this dates
